Dear Mr. Weiss:

Thank you very much for your support and cooperation and the interest you continue to sustain for the Brown-Vandever and Desiderio uranium sites. It is a pleasure working with you. Please convey our regards to Robert Bornstein, and the rest of the Region IX staff.

We have tried to locate an extra set of the reference you are interested in, that we could loan to you. Unfortunately, we could not find you an extra set. We hope that your library has been able to locate the references for you on an inter-library loan. In the meantime, we are sending you copies of some of the pertinent sections that you were interested in.

We look forward to hearing from you, and to working with you in the near future.

Sincerely,

A handwritten signature in cursive script, reading "Gaurav Rajen".
